

### REMARKS

The foregoing amendments are made to insert the required SEQ ID NO identifiers associated with various listed sequences, as well as to correct an obvious typographical error. Namely, the "Ala" in the third position of the written sequence in paragraph [0142] should be "Gly." Support for correction of said error may be found in the abbreviated sequence found directly after the written sequence and in paragraphs [0118] and [0144] where the correct "Gly" is disclosed in the third position of the sequence.

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

### FEE AUTHORIZATION

Should any fees associated with the submission of this document be required, the Commissioner is authorized to charge the missing fee to our Deposit Account No. 19-2380. Any overpayments should be credited to said Deposit Account.
